

## **Go Red for Women**

### **Award Nomination Form**

The Hayward Area Chamber of Commerce is currently seeking nominations for its 3<sup>rd</sup> annual **Red Dress Awards**, as part of the **Go Red for Women** event on **Saturday, March 5, 2016**. This event will feature a fabulous sit-down dinner, a signature cocktail, special gifts for each attendee, presentations by inspiring women, silent and live auctions with proceeds given to the American Heart Association, and special awards presented to the Hayward area's outstanding women.

This award recognizes and honors local women who have made a difference in their respective fields, listed below. These incredible women are true leaders, as evidenced through their knowledge, example, and attitude and heart for life.

I wish to nominate a candidate for the 2016 **Red Dress Awards** in the following category:

     **Business & Manufacturing** – this leader provides expertise in business and manufacturing industries, such as banking, real estate or factory production. She truly puts her clients and customers first and works hard to find what is best for their needs.

     **Retail & Hospitality** – this leader shows influence in the areas of retail, dining, lodging and tourism, perhaps through ownership or management of a local company. She may have spent a great deal of personal time and effort to make a company succeed or even resurrected a floundering business.

     **Education** – this leader shares her knowledge with those who are seeking to learn new information, at any age – whether school children or adults in higher education. She has given of herself outside the classroom to enhance their love of learning and provide a welcoming environment in which to grow.

     **Healthcare & Wellness** – this leader demonstrates true concern for her fellow citizens while providing personal health, wellness and fitness care and advice. Caring for others is not merely a job, but a true profession and way of life for this hardworking and compassionate individual.

     **Non-Profit/Civic/Community** – this leader empowers those who may be less fortunate or provides a safe haven where needed. Her dedication and vision for service to other living beings is second to none. Or perhaps she brings a fresh outlook on life through her art, music, dance or other creative expression.
