We are a Covid-19 Free Environment and hope to keep it that way with these new rules:

Fever, Shortness of Breath, Dry Cough, Runny nose, Sore throat, Traveled extensively, or Known exposure to Covid-19

While our salon complies with State Health Department and the Centers for Disease Control and Prevention Infection Control guidelines to prevent the spread of the Covid-19 virus, we cannot make any guarantees.

Our staff is symptom free and to the best of our knowledge have not been exposed to the virus. However, since we are a place of public accommodation, other persons (including other clients) could be infected, with or without their knowledge.

Thank you for your patience as we all are being guided through uncharted waters and hoping to keep us all safe and healthy as we begin a new normal.

Sincerely,
