## COMMUNITY CLINIC

NorthLakes Community Clinic is seeking TWO full-time (1.0 FTE) Lab Technicians to join our team! This position is Monday-Friday, no weekends and no evenings! This position is based at our Hayward Medical Clinic location. The purpose of a Lab Technician is to collect and analyze patient specimens in a safe and organized fashion. A successful Lab Technician will communicate expectations and experiences with every patient, every time, every day. Lab Technicians perform routine testing in the medical laboratory to provide data for use in the diagnosis and treatment of disease.

### Duties include but are not limited to:

- Interprets provider's orders and secures a requisition before performing test.
- Obtains the correct amount and type of specimen.
- Draws blood from patient's finger, ear lobe, or vein, observing principles of asepsis to obtain blood samples.
- Conducts quantitative and qualitative chemical analyses of body fluids such as blood, urine, and spinal fluid, under the supervision of medical technologists.
- Performs blood counts.
- Conducts blood tests for transfusion purposes.
- Completes appropriate collection, routing, handling, and processing of various medical specimens.
- Performs tests in an accurate and timely manner.
- Informs providers of lab results.
- Documents all requests and results of lab work accurately.
- Works with the EMR to record and report all patient results
- Recognizes abnormalities and notifies providers immediately.
- Performs daily quality control and cleaning procedures per guidelines.
- Orders and stocks supply as needed.

### **Requirements**

- One year certificate from college or technical school; or three to six months related experience and/or training; or equivalent combination of education and experience.
- Ability to pass a Wisconsin Healthcare background check.
- CPR certification within 6 months of hire.
- Wearing a mask is a requirement for all of our positions.

**Wage:**

- \$14.28-\$16.92/hour depending on experience

**Benefit Package Includes:**

- Health and dental insurance
- 403b retirement plan-- up to 4% employer match
- Three weeks Paid Time Off (PTO)
- Generous holiday pay
- Tuition reimbursement (eligible after one year of employment)
- Employer-paid life insurance benefit
- Employer-paid short & long-term disability insurance
