

## AQUATIC INVASIVE SPECIES INTERN

The St. Croix River Association (SCRA) is currently recruiting applicants for up to three aquatic invasive species (AIS) internships at the St. Croix National Scenic Riverway during the summer of 2021. Positions will be 12-14 weeks beginning June 1, 2021.

The Riverway, one of the nation's first wild and scenic rivers, is a National Park consisting of 255 river miles that flow through some of the most scenic and least developed country in the Upper Midwest. Learn more at: [www.nps.gov/sacn](http://www.nps.gov/sacn). SCRA ([www.stcroixriverassociation.org](http://www.stcroixriverassociation.org)) is a nonprofit organization that protects, restores and celebrates the St. Croix River and its watershed, and serves as the official nonprofit partner of the National Park.

### Description of Internship

This position is with SCRA, and is supervised by the SCRA Invasive Species Coordinator. The internship provides students with practical work experience in the field of invasive species management and education, as well as volunteer program development and implementation. Interns will have the opportunity to learn many new skills from a variety of agencies and organizations, all while being outside working on the St. Croix River and throughout the watershed.

### Major Duties

- Educate boaters at landings along the lower St. Croix River about invasive species identification, threats, and preventive measures.
- Visit marinas and bait dealers along the St. Croix River to provide educational invasive species materials.
- Assist with hosting AIS volunteer programs such as Project RED, Snapshot Day, Algae Alert Network trainings, and a boat landing education blitz weekend.
- Monitor the Riverway for invasive species.
- Assist NPS staff with field activities related to invasive species research, monitoring, and prevention as needed.
- Distribute educational invasive species materials at river community events.
- Work with many and diverse partners, including local, state, and federal governments agencies throughout the watershed.

### Qualifications

- Must be a US citizen or permanent resident of the United States with a valid state driver's license.
- College student or recent graduate with coursework in biology, natural resources, or a related field. Other majors or courses of study will be considered, but some background in natural resources is helpful.
- General knowledge of the St. Croix National Scenic Riverway is helpful.
- Ability to work well both independently and as part of a team, be detail-oriented and organized, and to follow oral and written directions.
- Ability to work with a flexible and changing schedule. Must be able to work some long days, weekends and evenings.
- Good oral and written communication skills.
- Ability to lift and carry up to 25 pounds independently, and up to 50 pounds with assistance.

**Work Site and Conditions**

- Interns will be based at the St. Croix River Association in St. Croix Falls.
- There will be travel throughout the upper St. Croix watershed in both Minnesota and Wisconsin.
- Work in the field is required and will involve some physical activity, including walking, standing for long periods of time, and paddling a kayak or canoe at a variety of locations.
- Schedules can be variable or on a week to week basis.

**How to Apply**

Send all of the following information:

1. Cover letter. State the internship you are applying for and why are you interested in the internship and working with the St. Croix River Association.
2. Detailed resume, including work experience.
3. Three references.
