**Color Tour #4-** No construction or roadwork, route in excellent condition.

**Color Tour #5-** Minor detour due to Hwy 40 being closed. Well-marked; does add a few extra miles to the current route.

**Color Tour #6-** There is soft sand on part of this route, which makes driving somewhat difficult. Alternative route: Hwy BB turn left onto Sissabagama Road. Follow till you reach the junction with County Road F; turn right onto F and follow the remainder of the posted route. If you would like to avoid gravel roads altogether; at the junction of F and Hwy 48, turn left onto Hwy 48 and proceed to East Shore Drive. Turn left onto East Shore Drive and follow it until it meets back with County Road F. Turn right onto F and proceed back to Highway 70.
