Just In Case You Missed It

1 The 4th Annual Ladies Musky Fishing School was hosted by Deerfoot Lodge & Resort, October 15-17. This was their largest event yet with 65 women participating in classroom-style presentations, demos, and many additional opportunities to connect with other female anglers. The event was featured on muskyhunter.com.

2 The 2021 Log a Load For Kids Event was held on October 7 and 8. This is an event that both educates youth and teachers about the forest industry and raises money for the Children's Miracle Network. Students from several area Northwest Schools, including Hayward, attended this event, which is hosted by the Northwest Chapter of the Great Lakes Timber Professionals Association.

3 The Northwest WI Workforce Investment Board and our Chamber worked together to hold a Drive-Thru Job Fair in our Municipal Lot on Wednesday, October 27. 31 businesses were included in the packets that were handed out to job seekers and almost every packet was handed out.

4 The Hayward Lakes Chapter of Muskies Inc. hosted their annual fall tournament October 1-3. They had 441 musky fishermen participate on 17 area lakes and flowages. They've raised almost \$500,000 which has been donated to 339 different projects in the 43 years they've held tournaments.

We held a very successful Hayward Fall Festival on Saturday, September 25! Thank you to all our volunteers and for all those who sponsored this wonderful event, including our presenting sponsor Northern Lakes Cooperative!
