

Join Our Passionate Team Make a Lasting Impact on Children and Families!

Northwest Connection Family Resources is seeking a dedicated **Child Care & Family Support Consultant**. If you are passionate about early childhood education and making a difference for children and families in Northern Wisconsin, this full-time role is for you!

Why You Should Join Us:

- **Impactful Work:** Play a vital role in shaping the future of young children by fostering safe and nurturing environments for their growth and development.
- **Collaborative Environment:** Join a supportive team of compassionate early childhood professionals where your ideas are valued and your contributions matter.
- **Professional Development:** Advance your career with ongoing training, resources, and support to become a respected consultant in the field of early childhood education.
- **Flexibility & Balance:** Enjoy a stable 40-hour work week, with evenings reserved for select trainings & occasional Saturdays for special events, allowing you to maintain a healthy work-life balance.
- **Comprehensive Benefits:** Receive a competitive salary (based on experience and qualifications), a generous benefits package, including health insurance, sick/well time off, personal days, and more!

What You'll Do:

- Conduct recruitment events, provide guidance on child care regulation benefits, and offer technical assistance.
- Offer comprehensive support, including navigation of early care and education systems with technical assistance on regulatory standards for certification and pre-licensing.
- Deliver high-quality evidence-based training in various modalities for regulated and unregulated child care providers.
- Provide family support through evidence-based education and navigation services to families in our community.
- Develop reporting strategies, produce reports for funders, counties & community partners, and assist with data computation.
- Additional assignments as needed based on program direction.

Qualifications we're looking for:

- Knowledge of early care & education systems, child development, and best practices (e.g., Wisconsin Model Early Learning Standards and The Pyramid Model for Social and Emotional Competence).
- Experience presenting to diverse groups, with strong communication and interpersonal skills.
- **Education:** A bachelor's degree in early care and education or related field preferred. A combination of credit-based education & experience as a Wisconsin Registry Level 13 and Tiered 3 Trainer would be considered or willingness to work towards. NCFR does not pay for credit-based education, reaching this level may offer additional opportunities within the agency.
- Be accurate & detail-oriented, with competent skills as it relates to case management entry.
- **Other Requirements:** Valid driver's license, reliable transportation, successful criminal background check, and the ability to maintain a high level of confidentiality.
