## Business After 5: December Highlights

December wrapped up the year with a festive Business After 5 at Echo Health. Formerly known as New Life Resource Center and Chequamegon Pregnancy Center, Echo Health is the new name following a recent merger, united by a shared mission of building strong, hope-filled communities. The Echo Health team welcomed guests to their new location with seasonal décor, a hot chocolate bar, warm apple cider, and a truly inviting holiday atmosphere.

Guests enjoyed connecting with fellow Chamber members while touring the new space and learning more about the services Echo Health offers to individuals and families. Echo Health is fully donation- and fundraiser-funded, and all services are provided completely free of charge to clients, ensuring access to care and support for those who need it most. The evening also included festive holiday door prize giveaways and a successful 50/50 raffle, with proceeds supporting the Downtown Hayward Public Restrooms. Thank you to the team at Echo Health for hosting such a warm, welcoming, and meaningful evening, and for giving our members the opportunity to see their new space and learn more about the important work they do.

As we close out 2025, we extend a sincere thank you to all of our Business After 5 hosts throughout the year for opening their doors, sharing their work, and helping create meaningful opportunities for connection. These events continue to showcase the strength, generosity, and collaborative spirit of our local business community.

Business After 5 events bring Chamber members and their employees together for relaxed, after-hours networking at local businesses. These popular gatherings are a great way to make new connections, strengthen existing relationships, and see what's new or happening at fellow member businesses. All Chamber members and their employees are welcome to attend any and all Business After 5 events. Mark your calendar and plan to join us throughout 2026 for meaningful connections and community-building opportunities.

# Celebrating Members

**We are excited to share and celebrate the achievements of our local businesses!**

Hayward is buzzing with growth and creativity! These recent ribbon cutting celebrations highlight the momentum of our local businesses and the pride we share as a community.

## **Lake Kids**

We celebrated new ownership at Lake Kids, a beloved and imaginative shop on Main Street in Hayward. Congratulations to new owners Andrea and Craig Dodson, along with their son Carter, the store's "Chief Toy Officer." Lake Kids continues to be a place of wonder, fun, and adventure for kids and adults alike, and we encourage everyone to stop in and explore this unique local gem.

## **Aspen Acres Assisted Living, LLC**

Congratulations to Aspen Acres on celebrating 10 years of service to the Hayward community. This impressive 24-suite complex provides both assisted living and memory care, and the milestone was marked with a wonderful celebration alongside residents, families, and guests. Aspen Acres continues to be a valued resource, offering compassionate care and support to local families.

## **The Monarch Gym**

We celebrated the opening of The Monarch Gym owned and founded by Bailey Slater, with John Keifer serving as Gym Coordinator. This impressive new facility offers a welcoming space for fitness, wellness, and community. A unique highlight is the in-house Bistro, which is open to the public.

# Celebrating Members

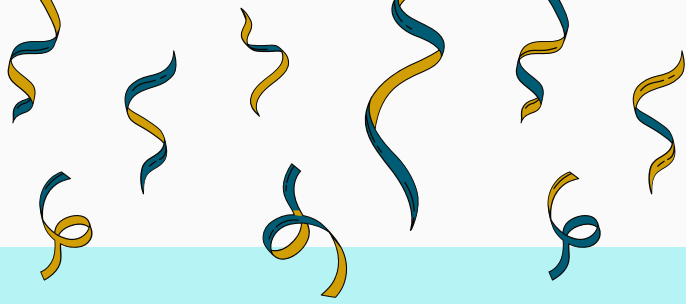

We'd like to recognize Don Johnson's Hayward CDJR for its generous donation of a Ram 2500 to the Chequamegon Area Mountain Bike Association (CAMBA). This contribution supports trail maintenance and helps sustain the trail system that makes the Hayward area a premier outdoor recreation destination.

Lakewoods Resort generously served a community dinner in support of CARE, helping provide a warm meal and meaningful support for members of our local community.

The Lake Chippewa Flowage Resort Association donated \$1,000 to the Sawyer County Snowmobile ATV Alliance to help support trail clean-up efforts. This contribution reflects the association's ongoing commitment to maintaining local trails and giving back to the outdoor recreation community that is vital to the Hayward area.

# Celebrating Members

Anderson, Hager & Moe has generously donated \$625 to support the Hayward Area Lions Club and its ongoing work in the community. Their commitment to giving back helps strengthen local service efforts and makes a meaningful difference for the Hayward Area.

We're grateful to share that Northern Lakes True Value's Milwaukee Man Cave raised \$4,300 for Christmas 4 Kidz through its "Man Cave Christmas" events and Milwaukee Tool sale, made possible by strong community and business support. This generous effort helps Christmas 4 Kidz continue providing holiday support for area children and families, and is a wonderful example of the giving spirit!
